## GETTING THERE

### What you need to know

#### DATES AND OPENING TIMES

The show runs from Monday 17 July from 10:00 until 16:00, and Tuesday 18 July to Sunday 23 July from 09:30 until 17:30. The last two days are open to the public.

Entry to the site for exhibitors is by exhibitor's pass issued by the SBAC. Additional exhibitor passes can be purchased from the Farnborough International ticket office.

#### GETTING THERE ...BY AIR

Exhibitors and visitors can fly to and from the site either by helicopter or fixed-wing aircraft during exhibition week. Arrangements must be made with TAG Farnborough Airport – Tel: +44 (0)1252 379000, [www.tagaviation.com](http://www.tagaviation.com) – for fixed-wing aircraft, which will not be able to operate during the flying display period. The heliport will be operated by Elite Helicopters & Aviation Services – Tel: +44 (0)1243 530165, Fax: +44 (0) 1243 539921, email: [ops@elitehelicopters.co.uk](mailto:ops@elitehelicopters.co.uk) [www.elitehelicopters.co.uk](http://www.elitehelicopters.co.uk)

#### ...BY RAIL

There are up to four trains an hour departing from Central London (Waterloo) at peak time, Monday to Saturday and two trains an hour on Sundays to Farnborough main station (times and frequencies may be subject to change). Other connecting stations close to the aerodrome are Aldershot and North Camp. Direct services take around 30min.

The Railair link from Heathrow airport connects with Woking, and a fast train service to Farnborough Main – journey time is around 60min. Trains also depart from Gatwick airport via Guildford, Woking or Clapham Junction. Allow 70min for the journey. Services from Gatwick also run to North Camp station, taking on average 52min.

Two trains every hour to Farnborough Main leave Southampton airport (Parkway) station, arriving around 45min

after departure. First Great Western Link Trains' North Downs Line links Reading with Guildford and Gatwick airport and visitors for Farnborough International 2006 can alight at North Camp Station (Lynchford Road). Gatwick airport to North Camp: First Great Western Link Trains run daily, twice an hour, with a journey time of around 50min.

Reading to North Camp: First Great Western Link Trains run daily, two services each hour, with a journey time of 23-30min. Easy access: North Camp Station has ramped wheelchair access available to both platforms, via the level crossing. A ramp is also available to board the trains. To reserve disabled assistance, please telephone +44 (0) 118 908 3607 at least 24h before your journey.

For further train times, fares and general rail information, call National Rail Enquiries on +44 (0) 8457 484950 or visit: [www.firstgreatwesternlink.co.uk](http://www.firstgreatwesternlink.co.uk), [www.nationalrail.co.uk](http://www.nationalrail.co.uk) [www.southwesttrains.co.uk](http://www.southwesttrains.co.uk)

#### ...BY ROAD

The aerodrome is around 48km (30 miles) from central London and is on the A325. It is accessible from the A31, M3, M25 and A23 via junction 8 of the M25. If travelling by car allow extra time for the journey as there are road works on the M25 between J8 and J10. For more information on the works please see the Highways Agency website at [www.highways.gov.uk](http://www.highways.gov.uk)

Farnborough Main, North Camp and Aldershot train stations are served by a shuttle bus direct to the site. Fares apply to the shuttle buses, which operate a regular service. London General is an official public transport operator for the SBAC and will be operating special coach services from central London and Heathrow airport. Journey time is approximately 90min from Heathrow and 120min from central London.

For further information contact London General on +44 (0) 20 8646 1747, visit their website [www.londongeneral.co.uk](http://www.londongeneral.co.uk) or download the information leaflet at [www.farnborough.com](http://www.farnborough.com). Additional travel information is also available at the website.

#### ATTRACTIONS & FLYING DISPLAY

The flying display starts at: 12:30 on the Monday; 14:30 on Tuesday, Wednesday and Thursday; and 12:30 on Friday, Saturday and Sunday. Appearances by the Airbus A380 and the Bell Boeing V-22 Osprey are likely to be highlights.

The International Space Pavilion (ISP) will again host space organisations from across the globe.

The "Space Day" will be on 19 July and includes seminars addressing the "International Future for Space", while "Youth in Space" will be held on 22-23 July and is focused at young people interested in careers in space.

#### TICKETS

On-day trade tickets are £26 (\$47) per adult (£22 advance). All tickets are available online at: [www.farnborough.com](http://www.farnborough.com). Tickets for public days are available through Keith Prowse Ticketing: [www.keithprose.com](http://www.keithprose.com). Advance adult tickets for the weekend public days cost £22. Adult on-day tickets cost £27. Children under 16, and accompanied by an adult, get into the air show free of charge.
