PROFILE

Cockpit4u is a leading provider of training services to the aviation industry and is set to become the most comprehensive and independent training organisation for airlines and individual pilots.

Cockpit4u helps airlines to optimally fulfill the impending challenges in pilot training either immediately or step by step. With this, Cockpit4u entirely or partially takes over the training tasks from the flight operation, without the airline needing to compromise on quality.

With our state-of-the-art training concept we are being able to customise training precisely to the requirements of our customers, thereby providing airlines with the highest standards and offering career entrants the fast track to the cockpit.

Many courses available including: Screenings; Check Flights; Pilot Recruitment Services; Consulting Upgrade Courses (CDR); Airbus Conversion Courses (CCQ); Type Rating Refresher; Low Visibility Training; Multi Crew Co-operation Course (MCC); Upgrade Courses (CDR)
