PROFILE

CTC is one of the world's leading full-service aviation training providers, training over 1,600 aircrew for more than 50 global airlines each year. Our UK and NZ based Crew Training Centres house state-of-the-art Airbus and Boeing simulators, hi-tech computer-based training facilities and a fleet of the latest, modern technology training aircraft; all supported by one of the most experienced teams of Training Captains and Instructors worldwide.

Our portfolio spans the full spectrum of training requirements – pilots and cabin crew; basic licence and ATPL training through to TRE Standardisation; ground school, simulator provision and line training; management and consultancy support, start ups, conversions and recurrent.

Our range of Airline Software Solutions combines our airline knowledge with the technological skills of our Information Technology team. Finally, CTC Aviation Jet Services Limited provides executive jet management and operational support for both corporate and private clients.
