PROFILE

F.A.S. Rhodes Pilots Academy, specialising in commercial pilot training and air taxi executive flight services is situated in two locations in Greece – Rhodes and Athens, widely admired as the most scenic locations in the world, an island and a city rich in historic monuments, natural beauty and high quality tourist facilities.

Our love and commitment to the world of flying drive us to make our years of knowledge and experience available to all. Our aims are to ensure safety in flying while providing high-quality, reliable and cost-effective services. At all times we are strictly in conformance with all the applicable regulations and special requirements applying in connection with each of our operations.

We guarantee: Fast training flow, fixed costs for all courses, high-quality service.

From 0 to ATPL (A) frozen integrated in 11 months for €65.000 all inclusive!!

Full accommodation, theoretical knowledge course, books, flight training with aircraft: TB-9, TB-10, SENECA III.
