GLOBAL AIR TRAINING

PROFILE

Global Air Training (GAT) is a leading aircrew training provider, working with over 350 leading airlines and aviation operators based in every continent of the world. GAT is one of few companies in the UK providing a CAA approved course for CRM instructors.

Courses comply with standards and requirements of relevant regulatory bodies worldwide, including EU-OPS, FAA, JAR, EASA, CAA and ICAO. GAT provides a wide range of initial, recurrent and train the trainer programmes for the aviation industry tailored to the specific needs of client organisations and the regulatory environment.

All courses are available at the GAT training centre in Cheshire, UK and also at client's locations worldwide.

All courses at GAT UK include: -

- A comprehensive manual
- Powerpoint presentations on CD-ROM
- Lunch and refreshments
- Courtesy airport transport
- Daily transport from local hotels
