PROFILE

With almost 20 years' experience in aviation training, ITS was established to provide complete training solutions for airlines wanting to develop world-class crew resource management, human factors or team resource management skills.

ITS offers a comprehensive range of products and services including:

- CRM courseware – both off the shelf and bespoke
- CRM training courses
- CRMI (ground) training courses
- CRMI (simulator/line) training courses
- NOTECHS/behavioural markers
- Assessment skills training courses
- Training videos/DVDs

In addition ITS provides type rating, MCC and command courses.

Our Mission is to produce the finest and most effective training solutions to the highest possible standards; delivering them on time and to a budget.

HIGHLIGHTS

- CRM training
- CRM instructor training
- NOTECHS & assessment skills training
- Type rating
- Multi-crew co-operation
- Command courses
